## From Panama City: Valle de Antón Day Trip

 Anton Valley Coclé Province, Anton Valley, Panama -

🕒 9 hours 🧑 1 Adults, 1 Children

Leave Panama City at 7:00 AM and head off on a panoramic tour of the central provinces until reaching the Valle de Antón, an ancient crater of an extinct volcano located 1,968 feet above sea level, whose slopes are covered by humid tropical forests crisscrossed by rivers and stunning waterfalls. A short walk through the dense tropical forest will allow you to appreciate the abundant avi-fauna of the place and the Chorro del Macho, the most famous of the waterfalls. The mountain of the sleeping India has inspired writers to immortalize legends of colonial time. Visit the El Nispero Zoo and Botanical Garden, home to numerous endemic and threatened species. Marvel at the famous square trees, as well as the anthropomorphic petroglyphs and ancestral symbols, not yet deciphered by archaeologists. The tour includes a delicious lunch enjoyed with views of the beautiful volcanic landscape. Your visit ends with a stop at the handicraft market, where you can purchase anything from natural wild orchids to figures carved in stone by local people.

## More About Ariana

---

*Hey, I'm Ariana Fiorello-Omosho and I am just beginning my career as an independent travel advisor, but within less than a month, I have booked several clients securing that my skill set and knowledge will enable me to stay in this industry for over 50 years selling both cruises and luxury adventures to families and couples who are traveling and to individual travelers. I was inspired to sell cruises and luxury family adventures due to growing up traveling around the States and Western Europe with my mom and navigating the waters of the Caribbean with Stasia. It was venturing into Central America, engaging in thrilling and cultural experiences, that taught me more about myself. Ever since then, I have been in love with traveling because of the self-discovery, relaxation, and adventure of it all; and my goal is for my clients to discover something new about themselves, something that they didn't know before having gone on the trip, creating lasting memories for years to come. What is one of your most memorable travel experiences? Let's see how we can surpass that experience with an even better one!*
