## More About Ariana

---

*Hey, I'm Ariana Fiorello-Omotosho and I am just beginning my career as an independent travel advisor, but within less than a month, I have booked several clients securing that my skill set and knowledge will enable me to stay in this industry for over 50 years selling both cruises and luxury adventures to families and couples who are traveling and to individual travelers. I was inspired to sell cruises and luxury family adventures due to growing up traveling around the States and Western Europe with my mom and navigating the waters of the Caribbean with Stasia. It was venturing into Central America, engaging in thrilling and cultural experiences, that taught me more about myself. Ever since then, I have been in love with traveling because of the self-discovery, relaxation, and adventure of it all; and my goal is for my clients to discover something new about themselves, something that they didn't know before having gone on the trip, creating lasting memories for years to come. What is one of your most memorable travel experiences? Let's see how we can surpass that experience with an even better one!*
