## Red Dune Desert Safari, Quad bike, Sandboarding & Camel Ride

🕒 4 hours 🧑 1 Adults

Escape the hustle and bustle of Dubai and experience the calm of the surrounding desert in the morning. Benefit from pickup at your hotel, and then drive out to the wilderness by 4WD vehicle. Satisfy your sense of adventure, whether traveling as a family, couple or solo. Choose from a shared or private option, and the legendary hospitality. Journey to the remote desert area of Lahbab, approximately 50 kilometers from Dubai city center. Marvel at the silky red sand and towering dunes, providing picture-perfect views of the surrounding landscape. Upon arrival at Lahbab, take a short break while your driver deflates the vehicle's tires to get a better grip on the sand. Hop on a camel to take pictures or have a short 2-3 minute ride on them around a track. Maybe even choose the optional quad bike experience (age-restricted). Then, head into the desert onboard your 4WD Land Cruiser and hold on to your hat as the vehicle slips and slides on a rollercoaster ride across the dunes! Go deeper inside the desert to get the best views possible and catch your breath on the highest dune. Try your hand at sandboarding and "surf" the sand, or just relax and take photos of the spectacular views. After the desert adventure, get dropped off back at the hotel.

## More About Ariana

---

*Hey, I'm Ariana Fiorello-Omotosho and I am just beginning my career as an independent travel advisor, but within less than a month, I have booked several clients securing that my skill set and knowledge will enable me to stay in this industry for over 50 years selling both cruises and luxury adventures to families and couples who are traveling and to individual travelers. I was inspired to sell cruises and luxury family adventures due to growing up traveling around the States and Western Europe with my mom and navigating the waters of the Caribbean with Stasia. It was venturing into Central America, engaging in thrilling and cultural experiences, that taught me more about myself. Ever since then, I have been in love with traveling because of the self-discovery, relaxation, and adventure of it all; and my goal is for my clients to discover something new about themselves, something that they didn't know before having gone on the trip, creating lasting memories for years to come. What is one of your most memorable travel experiences? Let's see how we can surpass that experience with an even better one!*
